Investor's Declaration (signature of investor is mandatory)

I acknowledge receiving, as an investor, a copy of the document entitled Fund Facts for each of the investment accounts selected, a copy of this duly completed form, the Annuity Contract, the related *Information Folder* (including the *Key Facts*) and any of its amendments, where applicable, under which I wish to make investments and I understand the general terms and conditions of the investment vehicles I have selected.

I acknowledge that my advisor instructed me to refer to Fund Facts for information about the investment account selected. I also acknowledge receiving the duly completed analysis of my financial needs when required by regulations.

In the case of a Beneva RSP or Beneva LIRA, I request that Beneva Inc. issue a retirement savings plan contract and register it as a Registered Retirement Savings Plan under section 146 of the *Income Tax Act* (Canada). In the case of a Beneva RIF, a Beneva LIF, a Beneva PRRIF, a Beneva LRIF or a Beneva RLIF, I request that Beneva Inc. issue a retirement income fund contract and register it as a Registered Retirement Income Fund under section 146.3 of the *Income Tax Act* (Canada).

I declare that I have read the terms of the contract. I understand that following registration of this contract, any payment made by Beneva Inc. to me or to my spouse, where applicable, and to my beneficiaries or estate, is subject to applicable income tax legislation and regulations.

When investments come from an internal transfer from another contract, I understand that my original guarantee could be cancelled with regards to the transferred amounts, and that my guarantee in the destination contract will then apply to the transferred amounts.

In the case where there is a co-investor, I acknowledge that both my signature and my co-investor's signature are required for all transactions, including any change or revocation regarding the benefit upon the annuitant's death.

I authorize Beneva Inc. to verify my identity, when required by law, using an independent and reliable piece of identification and/or any other means permissible under the law. I acknowledge that I have read the notice concerning the protection of personal information and have kept a copy of this duly signed application form.

In the case of a NRSP, I declare that the information provided on this form, concerning my identification, my profession and the purpose and intended nature of the investment is exact, complete and correctly entered, and I undertake to inform my advisor of any changes relating thereto. My advisor will then send the updated information to Beneva Inc. without delay.

I declare that information provided in Section 9B «Declaration of Tax Residence (Self-Certification)» is accurate and complete. I will provide Beneva Inc. with a new declaration of tax residence within 30 days of any change in circumstances that causes the current declaration to be incomplete or inaccurate.

I acknowledge having read the present declaration and the general information on this application form, having understood its terms and conditions and have had the opportunity to seek advice.

By signing, I certify that my signature, if affixed electronically, has the same legal value as my handwritten signature. Any reproduction of this application form whose integrity is ensured has the same legal value as the original.

Section 2: Investor

In accordance with this contract, the investor, and the co-investor, where applicable, is (are) the contractholder(s) of the contract, i.e. the person(s) entitled to a claim corresponding to the value of the investments held at Beneva. The investor is also the annuity grantee, i.e. the person entitled to receive the annuity payments. For all of the registered pension plans offered by Beneva, that is the RSP, LIRA, RLSP, RIF, LIF, RLIF, PRRIF and LRIF, only a “natural person” (individual) may apply and the annuitant must be the same person as the investor and the annuity grantee. Canada Revenue Agency requires the SIN for tax purposes.

If the investor is a corporation or another entity (for example a trust or an association), please complete the FRA1235 form and provide the required documents. In addition, Section 4 must be completed.

Section 3: Other Parties to the Contract

This section must be completed under the following specific circumstances:

Payer (spousal RSP): In the case of a spousal RSP, this section must obligatorily be completed.

Spouse (RIF/LIF/ RLIF/PRRIF/LRIF): If the RIF, LIF, RLIF, PRRIF or LRIF minimum income payment calculation is based on the age of the spouse, this section must be completed. A copy of the birth certificate of the spouse must be attached. If this section is not completed, the minimum income payment calculation will be based on the age of the investor.

Co-investor (NRSP): When more than one investor exists for a non-registered plan, the name and address of each co-investor and the sharing ratio applicable to each must be included. In the absence of any instructions as to the sharing ratio, the investment will be presumed to be made in equal portions.

Representative under a power of attorney, representative under a protection mandate, tutor to a minor, assistant to a person of full age, temporary representative to a person of full age, tutor to a person of full age or trustee: The name and contact information of the person presumed incapable of making investment decisions or of the investor who is being represented must be included under Section 2. A copy of the legal act assigning the power of representation must be attached. For the trustee, it may be a formal trust (trust document) or an in-trust-for account (with or without a will).

Executor (liquidator in Quebec): Complete form FRA1235 to identify the estate executor and beneficiaries and obtain their declaration of residence for tax purposes. The form must be completed and signed by the executor. When the amount invested is \$15,000 or more, we must obtain the death certificate AND the last testament.

Section 4: Annuitant

Under the Beneva Annuity Contract, the annuitant is the natural person (individual) upon whose life the annuity and guarantee relative to segregated funds are established and upon whose death the death benefit is payable. For RSP, LIRA, RLSP, RIF, LIF, RLIF, PRRIF or LRIF plans, the annuitant is the same person as the investor, therefore it is not necessary to indicate this. In the case of an NRSP, complete this section only if the annuitant is not the same person as the investor, for example, in the case where the investor is a corporation. However, please note that we will send contract-related information to the address of the investor.

Section 5: Estate Planning

This section must be completed by the investor, or by the investor and the co-investor, should one exist. In the event that the investor has not designated a beneficiary, the benefit payable upon the death of the annuitant is distributed, where applicable, to the estate of the investor (or to the investor when the annuitant and the investor are not the same person), in accordance with applicable legislation. Specific provisions are provided for in the contract to determine if the rights conferred under the annuity contract may be exempt from seizure due to a beneficiary designation, subject to all related applicable legislation.

Civil unions are considered the same as marriage when contracted in compliance with prescribed rules before a competent officiant and registered with the provincial authorities.

The designation of a continuing or contingent beneficiary (subrogated in Quebec) is always revocable. For more information, please refer to the *Information Folder*.

A minor child irrevocably designated cannot modify the irrevocable nature of the designation until he reaches majority.

When the investor is a corporation, if a designated beneficiary is not indicated, the investor (i.e. the corporation) will be designated as the revocable beneficiary.

However, in the case of an LIRA, RLSP, LIF, RLIF, PRRIF or LRIF, additional provisions apply and are described in the Beneva Annuity Contract as well as under applicable pension legislation. With respect to a LIRA, the investor's spouse is the only beneficiary regardless of any other beneficiary named (unless the spouse has waived his entitlement in writing) and the consent of the spouse is required to make a total or partial withdrawal of the funds in the investor's account.

Beneva assumes no responsibility as to the legality or validity of a beneficiary designation or of a beneficiary change.

Section 6: Source of Monies

Indicate the source of monies and attach the appropriate forms, as applicable. For example, the Canada Revenue Agency T2151 form (or equivalent) must be used for transfers from a DPSP and the T2033 form (or equivalent) must be used for transfers from a RSP or a RIF.

For NRSP, if payment is made by bank order, postal money order or by bank draft, please fill out form FRA1875.

Section 7: Investment Instructions

Select the investment vehicle(s) you want to invest in. For more information about Beneva GIF and Beneva Guaranteed Investments, refer to the *Information Folder*. Purchases of Beneva Guaranteed Investments cannot be made through FundSERV.

For the GIA, if instructions are incomplete, or if amounts are less than the minimum permitted, the amounts will be invested in a daily interest investment vehicle.

Description of terms

Beneva GIF: **The first digit of the fund code indicates the guarantee selected; the second represents the sales option and the three last ones correspond to the fund number.** In the absence of choice for the first two digits, the basic guarantee and no-load sales-charge option will be selected. The Beneva GIF Names and Fund codes are provided on the last page of this form.

If the investor is not eligible for the chosen guarantee because of his age, we will invest the sums under the basic guarantee. Please refer to the *Information Folder* and Contract for information about the age limits for each guarantee.

Beneva GIA: S = simple interest; C = compound interest (For Beneva Guaranteed Investments with simple interest (S), income is paid annually by direct deposit. In the absence of choice, compound interest will be selected).

R = redeemable; NR = non redeemable (in the absence of choice, the Beneva Guaranteed Investment is redeemable).

Section 8: Pre-authorized Transaction Program

All of the information requested in Subsections A, B, C, D and E must be provided, where applicable. In the case of an RIF, LIF, RLIF, PRRIF or LRIF this section must obligatorily be completed. Select in Section 7 the investment vehicle(s) you want to invest in.

For more information about Beneva GIF, Beneva Guaranteed Investments and pre-authorized transaction program modalities, refer to the *Information Folder*.

In Subsection C, attach a copy of the birth certificate(s) or, in the absence of such, the advisor must verify the investor's and the spouse's date of birth, if applicable, entering the documents used for such verification in Section 8C.

Section 9A: Identity Check, Third Party Determination and Politically Exposed Persons (PEPs) and Heads of an International Organization (HIOs) Disclosure.

This section must be completed in compliance with the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act*. The identity of clients who have one or more non-registered plan(s) must be verified. Also, where applicable, the existence and involvement of any third parties, PEP or HIO must be determined.

If the investor is a natural person present at the time of the contract application, the investor's identity must be verified by the advisor using the original of a valid and current photo identification document. When the investor is not physically present, identity verification must be performed using the dual process method.

In Quebec, it is not permitted to ask for the health insurance card, but you can accept it if it is offered. In Ontario, Manitoba, Nova Scotia and Prince Edward Island, the use of a health insurance card for identification purposes is prohibited.

With regard to the question pertaining to occupation, it is important to provide complete and detailed information. For example, specify "general practitioner" instead of simply "doctor," or "electrician" instead of simply "construction" etc. If retired, please state your last occupation.

Identity Check of a Minor Investor

The identity of a minor investor can be checked directly using a valid photo ID. If such a document is not available:

- Check the identity of the parent or guardian using a photo ID, and ensure that this person and the minor investor share the same address, AND
- Use the minor's birth certificate to confirm their name and date of birth
