- This addendum is prescribed by the *Pension Benefits Regulation*, a regulation under *The Pension Benefits Act* of Manitoba. It is subject to the provisions of the Act and the regulations that apply to LIFs (the "legislation").
 - If the legislation conflicts with a provision of this addendum, the legislation overrides that provision.
 - If this addendum conflicts with a provision of the RRIF contract, the addendum overrides that provision.
 - The legislation has provisions relating to LIFs that are not set out in this addendum.

I, the Owner, certify that:

☐ **B. Some or all of the amount transferred or to be transferred to this LIF is attributable, directly or indirectly, to a pension benefit credit or funds in a PRPP account that my current or former spouse or common-law partner earned as a member of a pension plan or a member of a pooled registered pension plan.**

9.2 The Issuer must provide the statement:

LIF TRANSFERS

10. Permitted transfers to LIF

10.1 An amount may be transferred to this LIF only from:

- a) a pension plan under one of the following provisions of the Act:
 - (i) if you are a member-owner, subsection 21(13.1) (transfer to LIF after ceasing active membership), or
 - (ii) if you are a non-member-owner, subsection 21(26.2) (transfer by surviving spouse or common-law partner on pre-retirement death) or clause 31(4)(b) (transfer by person entitled to division of pension benefit credit);
- b) another LIF or a LIRA to which no amount has been transferred or contributed other than Manitoba locked-in money;
- c) a VB account;
- d) an RRSP to which no amount has been transferred or contributed other than Manitoba locked-in money; or
- e) a pooled registered pension plan.

11. Permitted transfers to other vehicle

11.1 An amount may be transferred from this LIF only to:

- a) another LIF;
- b) a pension plan;
- c) a VB account;
- d) a LIRA;
- e) a prescribed RRIF;
- f) an insurer to purchase a life annuity contract; or
- g) a pooled registered pension plan.

12. Restriction against splitting LIF

12.1 You may not transfer an amount from this LIF if:

- a) as a result of the transfer, the amount transferred or the amount remaining in this LIF would be eligible for withdrawal under Division 6 of Part 10 (commutation of small pensions and withdrawals from small LIRAs and LIFs); or
- b) in the same calendar year, you have made one or more withdrawals from this LIF under Division 12 of Part 10 (withdrawals from prescribed plan due to financial hardship).

13. Issuer's duties when transferring to another vehicle

13.1 Before transferring an amount from the LIF to another vehicle, the Issuer must:

- a) be satisfied that:
 - (i) in the case of a transfer to a LIRA or another LIF, the issuer of the LIRA or LIF is registered with the Superintendent of Pensions as an issuer of that type of vehicle,
 - (ii) in the case of a transfer to a pension plan or pooled registered pension plan, the transfer is permitted by the terms of the plan, or
 - (iii) in the case of a transfer to an insurer, the transferred amount will be used only to purchase a life annuity contract;
- b) advise the issuer or administrator of the other vehicle that the amount being transferred is Manitoba locked-in money,
- c) be satisfied that the issuer has ascertained that receiving financial institution, pension plan administrator or pooled registered pension plan administrator will treat the money as Manitoba locked-in money,
- d) if you are a member-owner with a spouse or common-law partner, provide to the issuer or administrator of the other vehicle a copy of any consent or waiver provided by your spouse or common-law partner in relation to the LIF;
- e) if you have previously made a one-time transfer under section 21.4 of the Act or Division 4 of Part 10 of the regulation, provide to the issuer or administrator of the other vehicle a copy of any statement from the Superintendent of Pensions received by the Issuer in relation to that transfer; and
- f) provide you with the statement required by section 9 (statement before and after transfer).

13.2 When transferring an amount from the LIF to another vehicle as permitted by section 11, the Issuer must comply with the applicable provisions of the legislation and the *Income Tax Act* (Canada)

14. Liability for failure to comply

14.1 If the Issuer transfers an amount out of the LIF in contravention of the legislation or this addendum, the Issuer may be required by the legislation to provide, or fund the provision of, benefits that could have been provided under the LIF if the transfer had not occurred.

15. Transfer of securities

15.1 When an amount is to be transferred from the LIF to the issuer or administrator of another vehicle, the Issuer may, with your consent, effect the transfer by transferring transferable securities held by the LIF.

Your Income from the LIF

16. When do your income payments begin?

16.1 The Issuer must begin making payments to you out of the LIF no later than December 31 of the year following the year in which the LIF was established

17. You set your annual income from the LIF

17.1 Within 60 days after the beginning of each year, you will receive the annual statement described in section 8. Within 60 days after receiving that statement, you must notify the Issuer in writing of the total amount to be paid to you out of the LIF for the year.

17.2 If the Issuer guarantees a rate of return for the LIF for a period longer than a year, your notice for the first year of the period must specify the total amount to be paid in each year that ends at or before the end of the period for which the rate of return is guaranteed.

17.3 The amount that you set as your income from the LIF for the year must be

- a) not less than the minimum amount that the *Income Tax Act* (Canada) requires you to be paid; and
- b) subject to that minimum, not more than the maximum amount determined for the year under section 18.

Subject to those minimum and maximum amounts (which will be set out in your latest annual statement), you may revise the amount at any time during the year by written notice to the Issuer.

17.4 If you fail to specify the amount to be paid for the year, the Issuer will pay you the minimum amount before the end of the year.

17.5 In the first year of this contract, you are not required to receive a minimum amount unless the amount transferred to this contract was transferred from another LIF or VB account. In that case, in the year of the transfer you will continue to be paid amounts that you were being paid for that year under the other LIF or VB account.

18. Your maximum annual income from the LIF

18.1 Subsection (2) applies when the rate of return for the LIF is not guaranteed beyond the end of the year. If the LIF's rate of return is guaranteed for a multi-year period, subsection (2) applies to the first year of the period, and subsection (3) applies to each year of the period after the first year.

18.2 The total of the amounts to be paid to you out of the LIF for a fiscal year must not exceed the amount determined by clause (a) or the amount determined by (b), whichever is greater:

- a) the amount determined by the following formula:

$$\text{Maximum amount} = F \times (B + T)$$

In this formula:

F is the factor (from the table at the end of this addendum) that corresponds to the reference rate for the year and your age at the end of the immediately preceding year,

B is the balance of the LIF at the beginning of the year,

T is the total of all amounts transferred to the LIF in the year, other than amounts transferred directly or indirectly from another LIF, a PRPP account or a VB account;

- b) the total of

- (i) the income and gains, net of losses, earned in the LIF in the immediately preceding year, and
- (ii) 6% of all amounts transferred to the LIF during the current year, other than amounts transferred directly or indirectly from another LIF, a PRPP account or a VB account.

18.3 The total of the amounts to be paid to you out of the LIF for the second or subsequent fiscal year of a multi-year period for which the LIF's rate of return is guaranteed must not exceed the maximum determined by the following formula:

$$\text{Maximum amount} = M \times B_1/B_2$$

In this formula:

M is the maximum amount payable to you for the first year of the multi-year period (which is determined under subsection 18.2;

B₁ is the LIF balance at the beginning of year;

B₂ is the reference balance as at the beginning of the year, calculated as

- a) the reference balance as at the beginning of the previous year, minus M, plus

- b) the amount determined under clause (a) multiplied by the reference rate for the year, if it is one of the first 16 fiscal years of the LIF, or by 6% in any other case.

For the purpose of clause (a), in determining the maximum payable in the second year of the multi-year period, the reference balance as at the beginning of the previous year is the LIF balance at the beginning of the period.

18.4 If the maximum determined under subsection (2) or (3) is less than the minimum amount that the *Income Tax Act* (Canada) requires you to receive from the LIF, you must be paid the minimum.

18.5 For the purpose of subsections (2) and (3), "reference rate" for a year means the greater of 6% and the percentage determined for the year by

- a) adding 0.5% to the average yield as at November 30 of the immediately preceding year, as published by the Bank of Canada in the *Bank of Canada Review* and expressed as a percentage, for Government of Canada long-term bonds identified as CANSIM Series V 122487; and
- b) converting the rate determined under clause (a), based on semi-annual compounding of interest, to an effective annual rate of interest, and rounding it to the nearest multiple of 0.5%.

Death of Owner

19. Death benefit

19.1 Upon your death, the balance in the LIF is payable as a death benefit to the person entitled to it under this section.

19.2 The death benefit is payable to your surviving spouse or common-law partner if

- a) you are a member-owner;
- b) immediately before your death, you and your spouse or common-law partner were not living separate and apart from each other by reason of a breakdown in your relationship; and
- c) the Issuer has not received a death benefit waiver signed by the spouse or common-law partner that has not been revoked.

19.3 For the purpose of clause (2)(c), “**death benefit waiver**” includes the following:

- a) a waiver under section 20;
- b) a waiver under subsection 21(26.3) of the Act in respect of a pension benefit credit to which the balance in this LIF is directly or indirectly attributable; and
- c) a waiver under section 10.25 of Division 2 of Part 10 of the regulation in respect of a LIRA to which the balance in this LIF is directly or indirectly attributable.

19.4 If the death benefit is not payable to your surviving spouse or common-law partner, it is payable to your designated beneficiary or, if you have not designated a beneficiary, to your estate.

19.5 Within 90 days after receiving the necessary documentation, the Issuer must pay the death benefit as a lump sum to the person entitled to it. But, if that person is your spouse or common-law partner, he or she may, subject to the *Income Tax Act* (Canada), direct the Issuer to transfer it directly to an RRSP or RRIF, and the Issuer must transfer it accordingly.

20. Death benefit waiver

20.1 Your spouse or common-law partner may, before or after your death, waive his or her entitlement or potential entitlement to the death benefit in accordance with section 10.41 of Division 2 of Part 10 of the regulation (death benefit under LIF). Upon request by you or your spouse or common-law partner, the Issuer must provide the information and form required for the waiver.

20.2 A death benefit waiver may be revoked by you and your spouse or common-law partner by signing a joint revocation of that waiver and filing it with the Issuer.

Lump Sum Withdrawals

21. Overview — when you may withdraw balance

21.1 Under the regulation, you might be entitled to withdraw all or part of the balance of your LIF in the following circumstances:

- a) you are a non-resident of Canada for the purposes of the *Income Tax Act* (Canada) and have had that status for at least two years (see *Division 5 of Part 10 of the regulation*);
- b) the total of the Manitoba locked-in money in all your LIFs and LIRAs, plus interest at the prescribed rate to the end of the year in which you turn 65, is less than 40% of the YMPE for the year in which you apply for the withdrawal (see *Division 6 of Part 10 of the regulation*);
- c) you have a shortened life expectancy of less than two years (see *Division 7 of Part 10 of the regulation*);
- d) you are 55 or older and you make a request for a once in a lifetime withdrawal of up to 50% of the balance in your LIFs and pension plan, if the plan permits (see *Division 4 of Part 10 of the regulation*).
- e) you have reached the age of 65 years and make an application to withdraw the full balance of your LIF (see *Division 11 of Part 10 of the regulation*);
- f) you are eligible to make a withdrawal based on financial hardship (see *Division 12 of Part 10 of the regulation*).

21.2 If any of these circumstances apply to you, you may request the Issuer to provide the information and forms necessary for you to apply for a withdrawal. Subject to the regulation, the Issuer must provide you with the relevant information and forms.
